**Copies to:** Michelle I. Gunther, Clerk of the Board  
Tristin Collins, Assistant County Administrator  
Robert Greitz, Director of Employee Relations

Director John P. Kelly opened the meeting at 4:00 PM and read the Statement of Compliance with the Open Public Meetings Act. The Clerk of the Board called the roll.

**Present:**

Director John P. Kelly  
Deputy Director Frank Sadeghi  
Commissioner Robert S. Arace  
Commissioner Jennifer Bacchione  
Commissioner Virginia E. Haines

Michael J. Fiure, County Administrator  
Christine Allen, Recording Secretary  
Michelle I. Gunther, Clerk of the Board  
John C. Sahradnik, Jr., County Counsel

Commissioner Kelly and Mr. Jehnke reviewed the items listed on the attached Engineering Department agenda which included the recommendation to advertise for the reconstruction and resurfacing of Long Beach Boulevard in Beach Haven from end to end. The long-term plan is to replace Long Beach Boulevard fully. Mr. Jehnke will bring the full schedule to the next PreBoard meeting. Speed limits will be lowered on County Roads #10 and #12 in Little Egg Harbor. Mr. Jehnke mentioned that the paving project on Cross Street in Lakewood was not finished before winter, so a portion still needs to be completed. The County is working on a project on Prospect / Cross Street / Route 9 to address drainage, shoulder, and sidewalk improvements. Dozens of intersections in Lakewood and Jackson will be getting new traffic signals to improve safety and address resident complaints. Sheriff Mastronardy thanked Mr. Jehnke and the Engineering Department for their help during recent power outages. There were no questions or comments, and all items will be listed on the Board Agenda for the February 5, 2025 Board meeting.

Mr. Agliata told the Board about a recommendation by the Ocean County Agricultural Development Board and the Ocean County Natural Lands Trust Fund Advisory Committee to acquire an 18.92-acre development easement on the Cameron Farm located on Long Swamp Road in Plumsted Township. The farm backs up to 50 acres of

State preserved open space as well as the Joint Base. The landowner has accepted an easement value of \$375,000.00. A public hearing will be held at the February 5, 2025 Board meeting.

Mr. Agliata also discussed the 2025 residential document shredding program which will take place at various locations throughout the County over 12 dates between April and October. Over 90 tons of paper were collected and shredded last year. \*flyer attached

Ms. Gunther reviewed the Clerk of the Board's agenda for the Board meeting of February 5, 2025. There were no questions or comments.

Director Kelly asked the Board members for comments.

There were no additional comments.

Mr. Collins met with Ernest Bock and Sons, the Construction Managers for the Justice Complex Annex project and provided an update on the progress of the building. The foundation, footings, slabs, elevator shafts, stairwells, and rigid inclusion are complete. JCP&L needs to relocate wire. They will be setting the steel in 30-40 days. The elevator design is complete, and a 300-ton crane will be on site shortly. A projected completion date of late 2026 has been provided.

Mr. Fiore discussed an Executive Order from the White House indicating all existing windmill projects must pause immediately. Director Kelly advised Mr. Fiore to notify Long Beach Island that we will be suspending funding for the existing windfarm lawsuit at this time. A supporting Resolution will be added to the agenda. The Board will send a letter thanking Mr. Trump for this Executive Order.

Sheriff Mastronardy spoke with the State Police Colonel regarding the increase in drones in our area recently and discussed ways to mitigate them.

Commissioner Bacchione would like to add a resolution encouraging the State to fund the education of undocumented children. All agreed.

Commissioner Arace has met with Ocean County Vocational Technical School regarding a new program for EMS, EMT, and Fire Training during Junior and Senior years of high school. There is a great need for EMT's, and this would help with municipal demand. A program will be developed with the help of Brian Gabriel and discussed at the next PreBoard meeting on February 26, 2025. The Commissioners agreed with the plan.

Commissioner Bacchione visited the County Connection and was met with a well-educated staff, and felt the satellite office in the Ocean County Mall is very beneficial to residents. The Commissioner mentioned that there had been an incident in the Toms

River branch of the OC Library that made staff feel unsafe and requested a Sheriff's Officer be present in the library at all times.

Commissioner Sadeghi said that the Jon Bon Jovi Soul Kitchen will be opening for a three-month period in the Ocean County Library.

Director Kelly discussed a letter he received from the Eagleswood Cemetery requesting the County purchase an adjacent property. The cemetery is running out of space and needs the area to expand. There may be grants available to them. Tim Hart will follow up with the cemetery owners.

Director Kelly discussed rehiring Warden Valenti upon his retirement.

Ms. Gunther read the resolution to move to closed session.

On a motion by Commissioner Haines, seconded by Commissioner Bacchione, the meeting moved to Closed Session at 4:52pm for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.

The meeting returned to Open Session at 5:55pm. There being no further business, on a motion by Commissioner Arace, seconded by Commissioner Bacchione, the meeting adjourned at 5:55pm.
