Services are provided FREE of charge!

- **About 2.6 million gallons of effluent** have been removed from recreational vessels that could otherwise have ended up in the Bay!
- **Tank Maintenance**
Proper maintenance and operation of your on-board toilet & holding tank are critical to ensure they function properly. Consider using one of the available tank additives to break down the solids in your tank.
- **Boat Flares are toxic to the environment!** Learn how to safely dispose of boat flares. Visit: co.ocean.nj.us/recycle
