CLASSIFICATION

Ocean County employees fall within either classified or unclassified service.

Classified employees may be either full or part-time, temporary, provisional or permanent. The classified service is divided into competitive and non-competitive.

The competitive division includes all positions which require special skills. Those in the competitive division are subject to examinations given under the auspices of the NJCSC.

Unclassified employees are those elected by popular vote, appointees of the Board of Chosen Freeholders, Department Heads and/or employees for whom the statutes of the State of New Jersey prescribe fixed terms. These employees are not technically subject to the provisions of the NJCSC. However, County policy is to grant unclassified employees essentially the same fringe benefits and procedural rights as their counterparts in the classified service. For any questions as to which fringe benefits apply to unclassified employees, the Employee Relations Department should be contacted.

Overtime – Overtime is scheduled and authorized by an employee's Department Head and/or designated representative for hours worked in excess of forty (40) within a pay period. Repeated or chronic absenteeism, lateness, and/or falsification of time (including misuse and/or fraudulent use of time capturing devices) shall be grounds for disciplinary action up to and including removal from employment.

Storm Days – Ocean County employees are expected to report to work every day as scheduled regardless of weather conditions. Relaxed leave policy may be in effect during storm days as declared by the County of Ocean. Upon completion of the evaluation, each employee will be notified and will be given the opportunity to review the evaluation and the development of performance objectives with the supervisor who prepared it.

Complaints – Most employees have incorporated grievance procedures within their collective bargaining agreements. These procedures are used to resolve concerns that periodically arise. However, complaints can often be resolved without the need for a formal procedure. The Director of Employee Relations and all immediate supervisors are available to discuss complaints or problems on an informal basis. If a problem arises, the employee should first discuss the problem with his/her immediate supervisor.

It is the policy of the Board, the Director of Employee Relations and all supervisors to maintain open lines of communication with all employees.

Identification cards must be surrendered to the Department of Employee Relations upon separation of employment. Lost cards should be reported, in writing, immediately to the Department of Employee Relations.

Orientation and Training – Orientation and on-the-job training of new employees are the responsibilities of immediate supervisors. The training provided will depend upon the requirements of the specific job and will be carried out within the department. Orientation of newly hired employees shall be conducted at the work site by supervisory personnel unless otherwise directed by the Director of Employee Relations. Employees shall be notified of mandatory training in accordance with their assigned duties.

Reprisals against anyone who makes a complaint under this policy will not be tolerated and violators of the policy will be subject to discipline, up to and including termination, and may be subject to any other liability authorized under applicable law. Please refer to the Ocean County Policy Against Discrimination and Harassment for further information.

The employee to whom a vehicle is assigned is responsible for its security and maintaining it in a safe operating condition.

Such employees will be required to submit to a driving records check by the New Jersey Motor Vehicle Commission as a condition of employment. Periodic checks of employees’ drivers’ licenses will be made.

Employees who drive their own vehicle for County business must provide Risk Management with a copy of their current Certificate of Insurance. Drivers are required to notify their immediate supervisor in those cases where a license is expired, suspended or revoked. Failure to report such an instance subjects the employee to disciplinary action, up to and including termination. Any employee who does not hold a valid New Jersey drivers license will not be allowed to operate a County vehicle until such time as a valid license is obtained.

Additional information may be found in the County Travel Policy Manual.

Safety & Accident Investigations – All safety matters and accident investigations will be handled through the Division of Risk Management. In the event of a work related injury, the employee is to immediately report the injury to his/her supervisor. If immediate medical attention is required, telephone 911 or proceed to the nearest medical facility. Non-emergency medical treatment should be obtained through the direction of the Division of Risk Management. Upon injury to an employee, damage to County property and/or vehicle accident, employees and supervisors are required to complete the proper investigation forms and forward them directly to the Division of Risk Management.

Drug & Alcohol Free Workplace Policy - The possession or use of unlawful drugs and the abuse of alcohol pose a threat to the health and safety of all employees. To that end, the Board has adopted a *Drug and Alcohol Free Workplace Policy* and all employees are subject to the rules and regulations set forth in that policy. The manufacturing, distribution, dispensing, and/or use of alcohol or unlawful drugs on County premises or during work hours by employees is strictly prohibited. Any employee who is observed by a supervisor or Department Head to be intoxicated or under the influence of alcohol and drugs during working hours, or is under reasonable suspicion of same, shall be immediately tested and is subject to discipline up to and including termination. Employees who are required to maintain a Commercial Drivers License (CDL) are subject to random drug testing as required by the federal government. Refusal to submit to testing when requested may result in immediate disciplinary action, including termination.

Resignations – Ocean County employees may resign in good standing by giving their immediate supervisor at least fourteen (14) days written notice. The Director of Employee Relations may waive this requirement and consent to a shorter notice. If an employee resigns without giving the required notice, he/she will be considered to have resigned not in good standing.

Employees will be notified by the Department of Employee Relations as to the status of various employee benefits. At times, an exit interview may be held.

Reemployment – Permanent employees who resign in good standing may, within three (3) years of such action, request consideration for reemployment by indicating availability to the Appointing Authority. Any medical documentation is confidential and shall be maintained in a separate file.

An employee may review the contents of his/her personnel file after first making an appointment with the Department of Employee Relations. Employees or personnel authorized by employees requesting a copy of their personnel file will be charged the current established fee for photocopies.

Holidays – All eligible employees shall enjoy holidays with pay, to be observed on the dates specified annually by the Board of Chosen Freeholders. Employees must have accountable time before and after the designated holiday to be eligible for this benefit.

Personal Days – Each employee may be eligible for up to three (3) days Personal Leave, computed in hours, which may be used for personal business which cannot be conducted after the work day. Use of Personal Days shall require forty-eight (48) hours notice, except in the case of any emergency, i.e. storm day. The employee must have the permission of his/her immediate supervisor before Personal Leave can be taken and Personal Leave time shall not be accumulative.

For new employees in their first calendar year of service, Personal Leave shall be earned in hours as follows:

<u>Date of Initial Hire</u>	<u>Amount of Personal Leave</u>
January 1 thru April 30	3 Days
May 1 thru August 31	2 Days
September 1 thru October 31	1 Day
November 1 thru December 31	0 Days

Employees hired on or after October 1 through October 31 of their first calendar year in service may use the one (1) Personal Day to be awarded to them after two (2) months of service, but must use that day prior to the end of the calendar year. Except for employees hired on or after October 1 through October 31 of their initial calendar year of service, no employee shall be entitled to use Personal Leave until he/she has worked three (3) months for the County.

Personal days shall not be carried over from one calendar year to the next and must be used in increments of one full day.

Bereavement Leave – All full-time employees shall have up to three (3) days leave in the event of the death of a spouse, child, parent, grandparent, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, father-in-law, mother-in-law, grandchild, uncle or aunt of the employee or any other member of the immediate household. One (1) day leave will be given to attend the funeral services of a spouse's aunt, uncle or grandparent.

Permanent part-time employees may be entitled to bereavement leave on a pro-rated basis.

Such leave will not be taken until the immediate supervisor is notified of the instance of bereavement. The employer may require proof of loss of a decedent whenever such requirement appears reasonable. Bereavement Leave is specifically provided to allow employees time to make necessary arrangements and attend funeral services.

Therefore, Bereavement Leave must include one of the following days:

- Date of death
- Any day of viewing
- Date of interment
- Day of religious or memorial service

In no event shall any part of Bereavement Leave occur more than fifteen (15) days from the date of death.

Credit Union – The Ocean County Employees Federal Credit Union has been established for the benefit of all full-time permanent County employees. Employees may obtain further information by writing to the Ocean County Employees Federal Credit Union, P.O. Box 2191, Room 16, Toms River NJ 08754, or by calling (732) 341-4004.

Jury Duty – All full-time employees required to perform Jury Duty shall receive full pay from the County for all time spent on Jury Duty. In turn, any jury fees received by the employee must be endorsed over to the County. Employees put on "Stand By" are required to report to work.

VII. DISCIPLINE

It is the responsibility of the immediate supervisor to enforce and maintain proper discipline. To insure that employees are informed when infractions or shortcomings are noted, a progressive disciplinary procedure will ordinarily be utilized. In certain severe instances, it may be necessary to bypass one or more of the preliminary steps in order to impose suspension or dismissal of an employee as specified by the NJCSC. However, in no case will the option of immediate dismissal be executed without consultation with the Director of Employee Relations by the Department Head.

The following disciplinary procedures will apply except in such cases where other actions are warranted:

Step 1 – Personal Interview – The immediate supervisor will have a personal interview with the employee. The supervisor will bring to the employee's attention specific acts of unsatisfactory conduct or performance of duty and prepare a report for inclusion in the employee's personnel file.

Step 2 – Written Reprimand – If an employee fails to improve following Step 1, a Written Reprimand will be prepared by the immediate supervisor outlining in detail the unsatisfactory conduct or performance of duty. If the supervisor deems it appropriate, he/she may also outline possible recommendations for correcting the unsatisfactory conduct or performance of duty. The original copy of the reprimand will be furnished to the employee and the copy signed by him/her. Acknowledged receipt of the reprimand will be sent to the Department of Employee Relations for inclusion in the employee's personnel file.

Step 3 – Suspension Without Pay – In the event that the employee fails to improve after both Step 1 and Step 2, the immediate supervisor will bring the details to the attention of the Director of Employee Relations. If it appears that a suspension is warranted, and upon consultation with the Department Head, the Director will issue a suspension notice to the employee. The notice will specify the reason for suspension and the length of time the employee will be suspended. Fines may be imposed as a means of restitution, when appropriate.

Step 4 – Termination – In the event that unsatisfactory conduct or performance persists, termination may be warranted. Under those circumstances, a notice will be issued in accordance with the rules and regulations of the NJCSC.

Grounds for Disciplinary Action – Many types of conduct may be grounds for disciplinary action, up to and including termination. They include, but are not limited to, the following:

1. Incompetency, inefficiency or failure to perform duties;
2. Insubordination;
3. Inability to perform duties;
4. Chronic or excessive absenteeism or lateness;
5. Conviction of a crime;
6. Conduct unbecoming a public employee;
7. Neglect of duty;
8. Misuse of public property, including motor vehicles;
9. Discrimination that affects equal employment opportunity (as defined in N.J.A.C. 4A:7-1), including sexual harassment;
10. Violation of Federal Regulations concerning drug and alcohol use by employees who perform functions related to the operation of commercial motor vehicles and state and local policies issues thereunder;
11. Violation of residence requirement; and
12. Other sufficient cause.
